

Safe Needle Disposal is as easy as 1-2-3!

Waste Management is proud to provide a Sharps Home Delivery program for Beaumont residents.

Residents are able to conveniently and responsibly dispose of needles, lancets, and other sharps from their own homes with Waste Management's mail back containers in just three easy steps.

Step 1: Call Waste Management's customer service at **(800) 423-9986** and request a free Sharps container. A Waste Management representative will deliver it to their home the following week.

Step 2: Fill the container with Sharps.

Step 3: Mail the Sharps container back for safe disposal by using the pre-paid postage label provided. Make sure you sign the form included in the side pocket of your kit. If needed, simply contact Waste Management's customer service for a new kit.

*The first mail back container delivered each calendar year is free and additional containers will be available for a co-pay amount.

If you have any questions about Waste Management's service offerings, you can contact us by calling (800) 423-9986 or emailing us at WMService.com.
