Road Closure Postponed

Beaumont, CA— The temporary closure of Potrero Boulevard and Western Knolls Avenue, scheduled to begin on Monday, March 12th, has been postponed.

The delay of the re-alignment project will allow the City of Beaumont and project contractors to develop a plan to shorten the closure duration and reduce the impact to local residents and businesses. Potrero Boulevard and Western Knolls Avenue will remain open until a new construction start date has been determined, tentatively scheduled for late April.

Additional information regarding the Potrero Interchange is available www.ci.beaumont.ca.us/potrero or by calling the project hotline at 1.877.635.5200
