Weed Abatement Contractors

Beaumont, CA—The Community Enhancement Department of the City of Beaumont is seeking weed abatement contractors for the 2018-2019 year. Weed abatement contractors would perform abatement services on vacant properties on behalf of the city.

Contractors must be licensed and bonded for up to \$1 million dollars and must complete an independent contractor agreement. For more information on contracting with the City of Beaumont to perform weed abatement services. Please contact the Community Enhancement Department at 951-769-8500 ext. 233.
